“Concrete Surface Performance” Builder Breakfast – May 31

“As today’s consumers tastes in residential interior construction continue to evolve, so do their expectations for curb appeal. Coupling these traits with their ever-growing demand for quick delivery means that today’s contractor needs the most knowledgeable trades at their fingertips. When properly placed finished and cured, concrete is a very reputable building material that supports the challenges that face today’s builder. It’s the knowledgeable placer/finisher with a meticulous eye to detail that ensures a long lasting product when it comes to residential driveways and walkways. Come out to our next Builder Breakfast and hear what really counts when it comes to installing concrete flatwork!”

Time: 7:00am Breakfast / 7:30am Presentation

Location: Sawmill Banquet (3840 76 Ave)

Guest Speakers: Paul Masson, Concrete Alberta & Derrick Hiltz, Sterling Homes
