## MESSAGE *from* OUR CEO

The Canadian Home Builder's Association Edmonton Region is an organization that is here to support you by being the voice shaping the future of our industry and region. Our members come from every component of the residential construction industry, from dirt to doors. Whether you're shaping new communities, building homes, renovating existing structures, or contributing specialized trade skills, we provide the essential resources and communal support to drive collective success.

Becoming a member of our association opens doors to a world of possibilities. You'll find a supportive network of professionals passionate about the residential construction industry and deeply committed to our community. As a member, you gain access to various resources, from industry insights and best practices to exclusive events and educational opportunities. Our commitment to your growth and success is unwavering, and we are here to give you the right tools in your belt to help you succeed.

We support our members through effective advocacy with municipalities. Our association serves as a powerful voice, tirelessly working to ensure that the concerns and needs of our members are heard and understood by local municipalities. We strive to foster an environment that supports sustainable growth and innovation through active engagement, dialogue, and collaboration. By championing the interests of our members, we aim to create a harmonious partnership between the industry and municipalities, ultimately leading to a thriving and prosperous future for all.

Our association recognizes the invaluable role of connections and knowledge in the success of our members. Through our carefully curated networking events, members can build meaningful relationships with industry peers, potential clients, and partners, fostering collaboration and growth. Additionally, our educational seminars provide a platform for members to stay at the forefront of industry trends, refine their skills, and gain valuable insights from experts. By offering these opportunities for networking and learning, we equip our members with the tools and connections they need to excel in an ever-evolving field, ensuring their continued success and contribution to the industry's growth.

The true beauty of being a part of our association lies in the camaraderie and belonging you'll experience. It's the joy of knowing you are part of a community that values excellence, innovation, and giving back. It's the fulfillment that comes from positively impacting our industry and our local communities.

Join us today and be part of something extraordinary. Together, we can be the voice shaping the future of the homebuilding industry, create lasting connections, and make a difference in the lives of those we serve. Your journey with us begins now.

Laura Bruno, CEO

# MEMBER Benefits

The Canadian Home Builders Association – Edmonton Region is a not-for-profit organization dedicated to empowering its members through effective advocacy, industry insights, and diverse networking avenues

Whether you're shaping new communities, building homes, renovating existing structures, or contributing specialized skills, we provide the essential resources and communal support to drive collective success.

**We represent member companies, including:**

Builders, Renovators, Land Developers, Trades, Manufacturers, Suppliers, Municipalities, Financial Institutions, and other industry professionals.

*"I have been a member of the CHBA-ER for a number of years now and found it to be a welcoming community of industry people who celebrate, support, and advocate for each other.*

*The connections that I have made, particularly through the Women In Residential Construction Committee (WIRC), have helped with both my professional and personal growth.*

*I am heading into my third year as Chair of the WIRC and it has been the most rewarding experience of my career. It has provided me with an opportunity to grow as a leader and give back to an industry that has given me so much."*

**-Taylor Myck, Vicky's Homes Inc.**

**BENEFITS OF MEMBERSHIP INCLUDE:**  
 Personal & Professional Development  
 Advocacy  
 Community & Partnerships  
 Brand Recognition

## COMMUNITY & PARTNERSHIPS

**RENOVATION MONTH**

Every October during renovation Month, the Renovator Committee works with local organizations to provide a charitable renovation. Volunteers and donors come together from across the Association and beyond to put together a two-day renovation.

**Renovation projects have included:**

- Uncles and Aunts at Large (Edmonton Area) Society
- Catholic Social Services
- Be Brave Ranch
- Kids Cottage

**HOPE MISSION & THE MUSTARD SEED**

Our NextGen Committee has committed one of their initiatives to be based around giving back to the community. Not only have they volunteered at Hope Mission multiple times, they also worked together to fill and entire vehicle of warm winter wear to donate to the Mustard Seed.

# EVENTS

We take pride in hosting a variety of events tailored to enrich the residential construction community in Edmonton and surrounding areas. From insightful workshops and educational seminars to networking mixers, our events are designed to foster collaboration, share industry-leading knowledge, and have fun!

- EVENTS INCLUDE:**
- The Awards of Excellence
  - Golf Tournaments
  - Builder Breakfasts
  - Economic Forecast Dinner
  - Building U: Education Symposium
  - Celebration of Industry Champions
  - Annual General Meeting
  - Social Mixers

# ADVOCACY

A key strategic pillar of the Association is advocacy. We collaborate with our members and advocate on their behalf to maintain a supportive regulatory environment and reduce red tape for residential construction in the region.

## SOME INITIATIVES INCLUDE:

1. City of Edmonton Plan Implementation
  - a. Zoning Bylaw Renewal
  - b. District Planning
  - c. Growth Management Framework
  - d. City Planning Framework
2. Impacts of Energy Efficiency in Housing
  - a. Tiered Energy Codes
  - b. Greenhouse Gas Reduction in Housing
  - c. City of Edmonton Energy Transition Strategy
3. Permit Process Improvements
4. Relationships with Municipal Administration and Elected Officials

Scan here to learn more about the initiatives

## Committees

The Canadian Home Builder Association – Edmonton Regions success comes from the ongoing support and commitment of members. Members actively work on committees to discuss industry issues, opportunities, and Association programs and services that deliver value to members.

- Industry Advisory Committees
- Engagement Committees
- Forums

## BENEFITS OF COMMITTEE PARTICIPATION:

- Personal & Professional Development
- Partnership
- Brand Recognition
- Having a Voice in the Association

*“The CHBA has played a pivotal role in fostering my professional growth and achievements within the home building industry. Collaborating with industry experts has not only provided invaluable coaching and mentorship but also enriched my expertise, propelling my career to new heights. My involvement as a volunteer with the CHBA has afforded me opportunities to demonstrate leadership abilities through committee chairmanship, synergistic problem-solving with fellow professionals, and notably, active participation in crucial industry-related discussions. My enduring commitment to the CHBA rests on my belief in its mission, and I remain dedicated to volunteering, recognizing it as a cornerstone of my personal success, for which I am profoundly grateful.”*
